CARLISLE SENIOR HIGH SCHOOL
CARLISLE, PENNSYLVANIA

Editor-in-Chief: Judith Everett

Business Manager: Jerilynn Renfrew

The students of Carlisle Senior High School have become increasingly aware of the advancements made in this rocket age. The 1959 Oracle Staff invites each reader to visit the world of Carlisle Senior High School by rocket and sputnik to observe the students and the activities that can be found in an 180 day tour around our building.

The count-down is over; the launching was a success; you're in orbit; come see our Carlisle Senior High School.

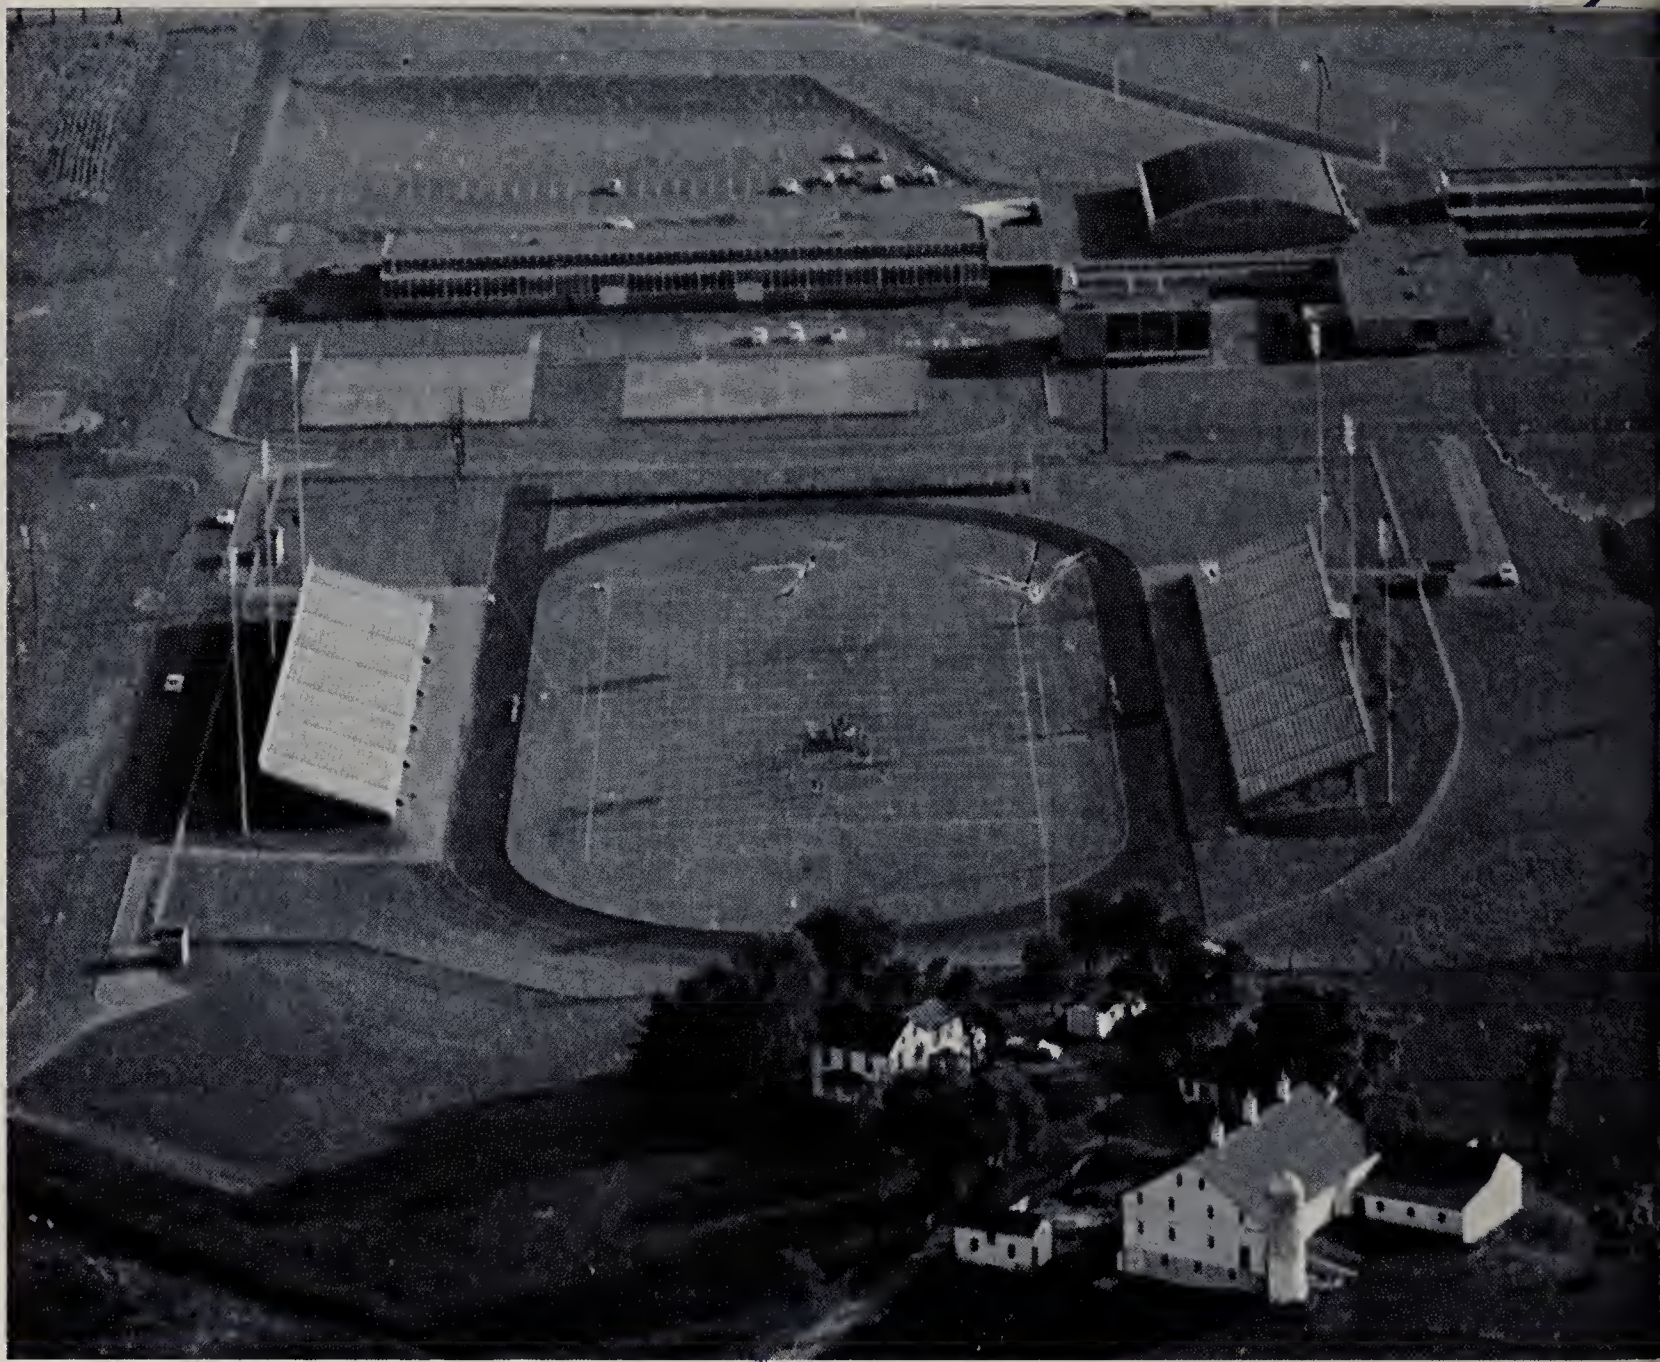

Entrance to Our World of Learning

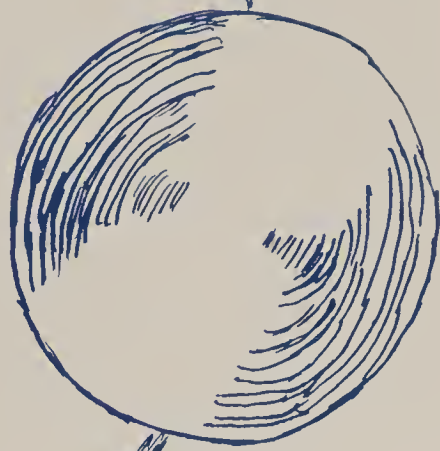

Mr. Morgan, Mr. Millen, and Mr. Evans stand proudly behind C.H.S.'s football trophies representing five victorious years in the Southern Pennsylvania Conference.

We Proudly Dedicate

The 1959 Oracle Staff dedicates this yearbook to Carlisle High School's outstanding football coaching staff: Mr. K. R. Millen, head coach; Mr. Gene Evans, backfield coach; and Mr. Stanley Morgan, line coach. We are deeply indebted to these men for putting forth the effort which it takes to have a champion football team for five consecutive years. May the "Big Three" have many more successful years of football coaching.

Superintendent David L. Swartz considers a school matter.

Principal Mark N. Burkhart reviews an educational directory in his office.

TO THE CLASS OF 1959:

Congratulations on the completion of your high school career. You now begin to assume many new responsibilities in our complex world. Build upon the foundation laid in high school, take advantage of opportunities as they present themselves, and be ever willing to do your share in the complicated processes of living.

Remember your high school continues to stand ready to assist you in whatever way possible.

Mark N. Burkhart

Mr. Harold North, assistant principal, looks up a schedule card in the school file.

Mr. E. I. Eastep, director of vocational and adult education, discusses vocational work with a pupil.

Pupil conference is one of the daily activities of Mr. Leo Johns, guidance counselor.

Helpful suggestions from Miss Rhoberta Wolf, guidance counselor, aid in the selection of the right college.

Mr. Maynard Gillaugh, director of testing and research, studies the results of one of his tests.

Miss Mary McAdoo, librarian, helps a student select a book about travel in Europe.

These busy secretaries, Miss Delores Cohick and Mrs. Kathryn Frederick, find that their work is never done.

THE STAFF

With a warm smile, Mrs. Phyllis Kimmel, dental hygienist, reassures a patient.

Weighing and measuring are only two of the many jobs of Mrs. Evelyn Millen, Senior High School nurse.

The dietician, Mrs. Dorothy Stearns, checks the completion of another successful meal.

As they prepare for the busy lunch periods ahead, the cooks, Mrs. Myrtle Danner, Mrs. Elmira Evans, Mrs. Kathryn Adams, Mrs. Mary Pittman, Mrs. Ethel Eyler, Mrs. Edna Wagner, Mrs. Beulah Vaughn, and Mrs. Minta Frick, work together to produce a well balanced meal.

Keeping our cafeteria clean, the janitors, Mervin Trimmer, Mrs. Verne Ott, James Stum, and John Watson, pause for a moment between lunch periods.

Bus drivers, Nick Barrick, Lee Farner, Bill Trush, Donald Keckler, Rocky Hawkes, Walter Loy, Carl Kerns, Clair Beam, Pete Rotz, and Harold Raudabaugh, wait at the Senior High for the dismissal bell.

As Ann Yeager marks the rhyme scheme in her original sonnet, Don Weiser, Miss Schuettler, and Kurt Suter look on with interest.

ENGLISH DEPARTMENT

Augmenting the usual grammar study, spelling, vocabulary drill, and essay writing, English classes this year emphasized reading improvement and additional composition work. Pupils were also encouraged to improve in speaking, listening, critical thinking, and organizing ideas.

Miss Trine pauses to confer with Miss Hoover and Miss Fickes.

In the Speech Patio, Pat Bogan listens as Mrs. Groome shows Dennis Russell a breath control exercise: "Ho, gallants, draw your blades!" Waiting to practice are Sue Barbieri, Tom Boyer, Lee Adamson, and Judy Duda.

and learned to appreciate others.

"Porto, portas, portat," mumbles Eric Finkey, while Betty Jane Hickey and Bill Kerr have similar troubles during Miss Nolen's Latin I class.

LANGUAGE DEPARTMENT

Although Carlisle Senior High School to date hasn't offered Russian, there does seem to be a wider interest in the study of languages. In addition to French I and II, Spanish I and II, Latin III was also being offered this year. Languages not only provide an opportunity for increasing and improving one's English vocabulary, but also give a knowledge of the peoples and cultures of foreign lands.

MATHEMATICS DEPARTMENT

In this ever changing world, the Mathematics Department of Carlisle Senior High is progressing to meet the challenges of the day. Every Senior High School student is required to take at least one year of mathematics. Both pure and applied mathematics are included in the math curriculum, which recently was expanded to include advanced mathematics and college board math.

A difficult trigonometry problem is graphed by Jim Street as Mike Stoner and Sue Cole listen to an explanation by Miss Adams.

SCIENCE DEPARTMENT

Stirred on by the sputnik, the Science Department has increased its requirements so that two sciences are required of every college preparatory pupil. Sophomores are required to take the life science, biology. Juniors or seniors may choose from one or both of the physical sciences, chemistry or physics. This program should prepare college preparatory students adequately for college sciences.

Mr. Anthony watches cautiously as Roberta Boomershine, Bunny Knight, and Warren Morgan make hydrogen.

Experimenting to determine barometric weight and pressure are Mickey Finn (*foreground*), Ed Brubaker and Margie Moyer (*center*), and Jack Henderson (*right*). Mr. Wolf, physics instructor, checks notes.

Mr. Obeid, Mr. Trostle, and Mr. Mountz examine biological specimens imbedded in plastic.

Here we explored and investigated.

"This is the one," says Mr. Lickel to Dick Hair, Joan Yeager, Brenda Heckman, and Charles Craig, as the Biology I students identify insects in their collections.

SOCIAL STUDIES DEPARTMENT
 "Learn about the latest news events and study," social studies teachers insisted this year. Traveling, map work, and discussion were three of the many phases of social studies classes, through which we used the past to interpret the future.

Mr. Gabler stresses his point by using France as an example.

Romania is the topic of discussion in Mr. Morgan's history class.

Mr. Milten shows Judy Moody, Jill Green, Dave Keller, and Terry Baker the location of the Louisiana Purchase.

ART, MUSIC, SAFETY EDUCATION

Art and music enrich our lives; safety education prolongs them. Pupils who elected art and music courses experienced the feeling of creation and found pleasure in the completion of both individual and group projects. Through safety education, pupils learned how to prevent accidents and how to cope with emergencies that might arise at any time.

The set for "Lilacs in the Rain" receives its finishing touches from Mr. Waricher's paintbrush.

COMMERCIAL DEPARTMENT

Students in the Commercial Department received training through required and elective subjects selected to suit their individual needs. Secretarial students specialized in shorthand, while clerical students specialized in bookkeeping. But whether secretarial or clerical students, all were well trained by an excellent teaching staff.

Puzzled Mary Morris learns from Mrs. Homick the intricacies of a sound-scriber.

"Follow the chart," says Mr. Bowen, as he explains the proper bookkeeping procedure to Lee McKillip and Joan McKillip.

Shorthand students Peter Hyseck, Anna Mae Killinger, and Darlene Henry concentrate while taking dictation from Miss Hedden.

VOCATIONAL DEPARTMENT

The Vocational Department offers varied programs to C. H. S. students. Vocational industrial work helps students to be informed about the latest machines and materials. Shops offer actual experience in building trades, mill and cabinet, machine tool operation, auto mechanics, and electricity. Each marking period students spend three weeks in shops and three weeks in classes studying mechanical drawing, related math, physics, and similar subjects.

Vocational agriculture teaches better farming by the projects in F. F. A. Students have classes in the morning and do farming in the afternoon.

Through home economics courses better homemakers are prepared.

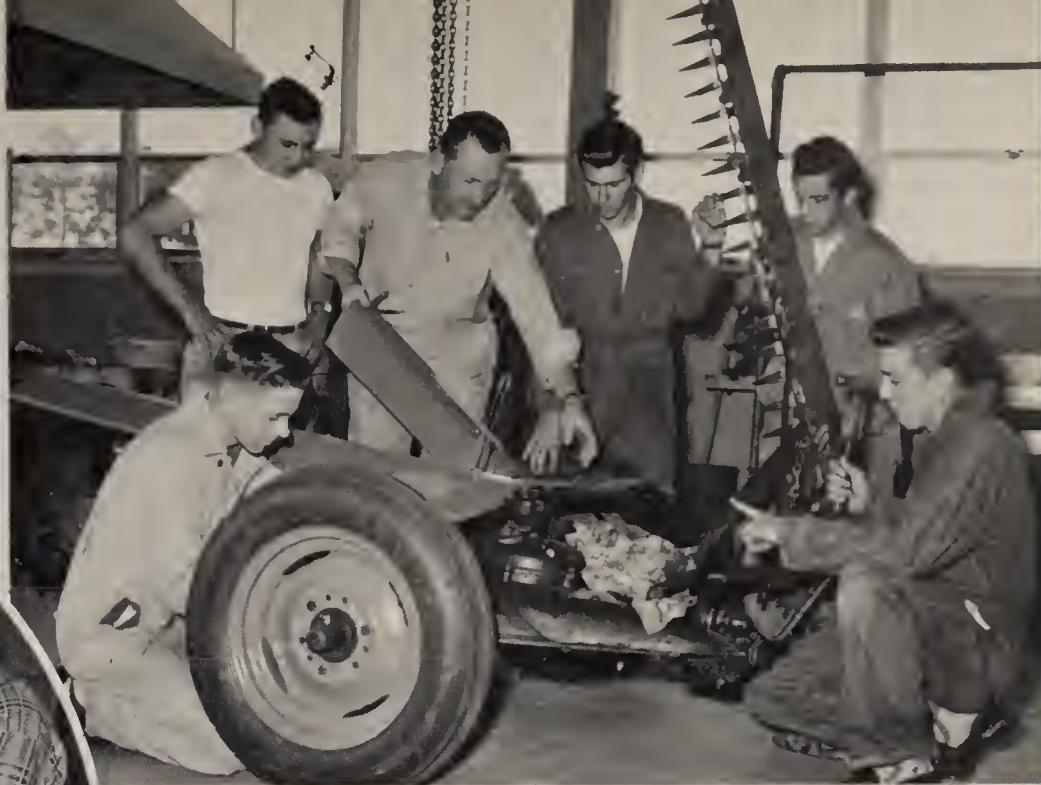

In sewing class Mrs. Smith helps Marian Gross, Jeri Ann Miller, Jeanne Holland, and Pauline Williams improve their wardrobes.

With Mr. Eastep looking on, Mr. Gish shows Don Shearer and Ron Gensler the danger of operating the lathe without the guards in proper position.

With Mr. Stong supervising, Marion Zinn and Deemer Morrow put the finishing touches on a desk.

Paul Wickard and Bill Carpenter (*kneeling*), Fred Widders, Mr. Rook, Marlin Wood, and Barry Lebo (*standing*) examine the shaft of a mower.

PHYSICAL EDUCATION DEPARTMENT

Knowledge of good health habits and of rules for physical fitness will help young and old to become healthier and happier. To achieve these goals of health and happiness, sophomores, juniors, and seniors were given physical education; and seniors received special health instructions.

"It's harder than it looks," Charles Chronister realizes as he tries to get the football through the tire. Tim Buchanan, Joe Lins, and Mr. Nickey look on.

The Oracle

"Deadline next Thursday!" "Get this copy typed!" "Where are those pictures?" These are just some of the things that can be heard near room 30, the *Oracle* room. The staff is busy year-round writing captions, getting pictures, planning lay-outs, and financing the yearbook by taking book orders, selling advertising and selling candy at the basketball games.

The staff hopes that in years to come the *Oracle* will help you to remember the friends you made, the good times you had, and those long hours of study — all of which were part of three wonderful years at C.S.H.S.

Jerilynn Renfrew, business manager, Judy Everett, editor-in-chief, Miss Hoover, advisor, and Fran Bankert, photography editor, plan a difficult layout.

The Periscope

"My headlines don't fit!" This cry of distress can often be heard when one is passing room 36 where the *Periscope* staff is busily preparing the school paper. The work of the staff, under the guidance of Miss Schuettler, consists of gathering and writing the news, sports, and feature articles, proofreading these articles and the galley sheet, laying out pages, distributing the paper, and completing jobs too numerous to list. The final result is that of a fine school paper, the *Periscope*.

Miss Schuettler and the "heads" of the staff plan the next issue of the *Periscope*. Dave Ditenhafer (sports editor), Harriet Wagner (business manager), Miss Schuettler (sponsor), Janet Blumberg (co-editor), and Hannalie Stuart (co-editor).

STUDENT CONGRESS

Something new on the Student Council agenda this year was the Homecoming Weekend which was the first one ever held by Carlisle. At the semi-formal dance which climaxed the occasion, Joy Gobin was crowned as queen.

Under the leadership of Mr. Coolidge, the council worked exceptionally hard to put across the magazine drive; and for the first time since the Junior and Senior High separated, the Senior High School reached its goal. The money made was used for Homecoming, and to assist various school clubs and the newspaper.

Thespians

This year Thespian troupe 214, under the supervision of Mrs. Margaret LeCates, presented three plays: a Christmas play, "Geraldine and the White Robe"; a children's play, "Beauty and the Beast"; and an Easter play. The troupe gained many apprentices from both the Junior and Senior class plays, and several members received their stars for one hundred hours of dramatic work.

While the fairy godmother blesses the couple, Prince Armand kisses the hand of his future queen, Beauty.

Anxiously feeling her head, Antionette wonders if Renard's spell has transformed her into an ape.

Junior Class Play

This year the junior class presented the psychological drama, "Dino," by Reginald Rose. Under the able direction of Mrs. Myrtle Groome, who was assisted by Judy Everett, the cast of thirty-one juniors did a commendable job. The choreography for the dance scene was under the direction of Miss Norma Weiss and Bonnie Thompson.

In the lobby Shirley (Margaret Strong) offers assistance to Dino (Jim Holland); while in the office Miss Haines (Karla King), Mr. Mandel (Bud Riddlesberger), and Mr. Sheridan (Bill LaMee) discuss professional problems.

Displaying his hate for his son, Mr. Falcario (Pete Marshall) slaps Dino (Jim Holland) while Tony (Joe Landis) watches in anger.

Senior Play

Over a thousand people attended this year's Senior Class Play. Directed by Mrs. Myrtle Groome, who was assisted by her student teacher, Miss Norma Weiss, "Lilacs in the Rain" will be remembered by many people as one of the best comedies given by Carlisle Senior High School.

Mr. Lambert (Pete Matlin) and Mrs. Lambert (Lynne Lovsness) learn that their daughter Letty (Judy Everett) has been downtown wearing a bathing suit and her mother's new fur coat.

After they had been crowned at the prom, Bill Smith (Bill McConnell) tries to reason with his "steady girl," Laurie (Bonnie Thompson).

Returning all the presents he had given her, Lavell (Carole Akers) tells Charles (Dave McKee) that she is breaking their engagement.

Judy White and Mike Casey cross the bridge to a paradise of dreams!

Judy Everett lends "Oscar" her sweater while Tom Roe looks on in amusement.

While sitting out a dance, these Juniors and Seniors admire the decorations.

Joan Farling, Rich Forney, and Rob Light enjoy the intermission; but Sue Cole ponders her weight and waist-line.

1958 Junior-Senior Prom

At the end of their Junior year, the Class of '59 sponsored the annual prom in honor of the graduating class. A real fountain surrounded by spring flowers, together with Japanese lanterns and wall placards written by Japanese exchange student Pete Matsuda, carried out the theme "Sayanora." Andy Angelucci's orchestra provided the music.

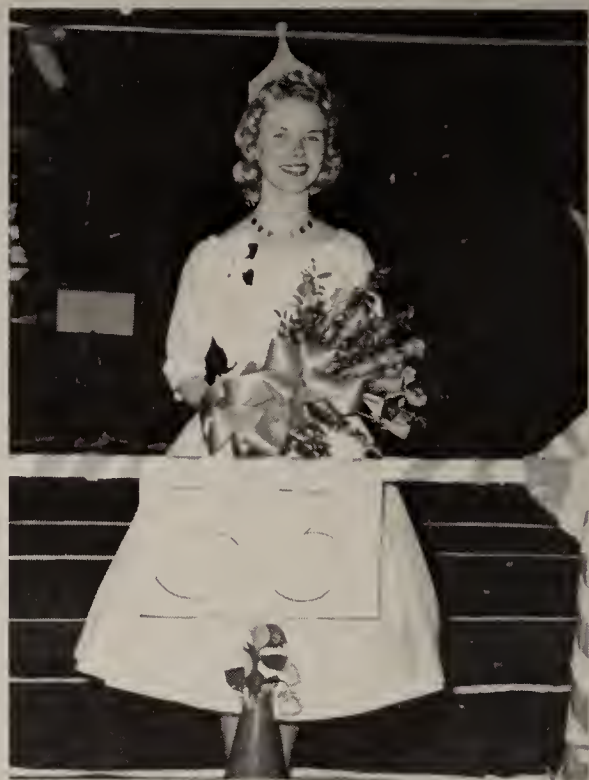

Anyone can tell by the glow in her eyes that Nancy Lindsey doesn't want to say "Sayanora."

Barbara Worley and Curt Shearer dance in a world of their own.

Nancy Taylor, Lynne Lovsnes, Carole Beltzhoover, maid-of-honor, Joy Gobin, homecoming queen, Faithe Marks, Shirley Cromer, and Judy Everett had the honor of composing the first homecoming court.

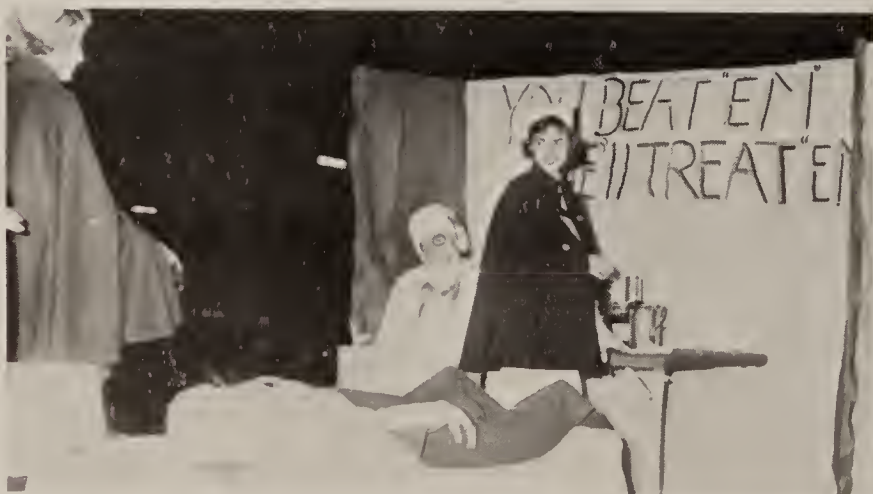

Joy Gobin, homecoming queen, poses behind the Carlisle goalpost on the miniature football field decorating the gym for the homecoming dance.

Kirby Burkholder crowns Joy Gobin, C.S.H.S.' first homecoming queen, while Leroy Bear, student council president, smiles approvingly. In the background, Jack Fuls, senior class president, prepares to present the newly crowned queen with a bouquet of roses.

Homecoming Week-end

Carlisle Senior High's first homecoming was held on Nov. 21 and 22. A pep rally, parade, and the Mechanicsburg game took place Friday. Eight clubs entered floats in the parade, and the girls in the homecoming court rode in convertibles. Saturday night the homecoming dance was held with the crowning of the queen and the announcing of the maid-of-honor. Music was furnished by Chester Nace's Combo, and the dancers were entertained by the Ever-Ready Singers, Bob Lewis, Mike Washington, Charles Palmer, Ralph Grahm, Larry Brady, and Harriet Reed.

The prizewinning float in the homecoming parade was prepared by the Future Nurses Club.

Maid-of-honor Carole Beltzhoover, riding in a red Corvette driven by Pete Matlin, smiles at the crowd.

HERD WINS FIRST DISTRICT CHAMPIONSHIP

Taking its first District Three Class A title in the history of the school, Carlisle's Thundering Herd defeated the York Bearcats by a score of 57—46 at the Farm Show Arena before a capacity crowd of 9,058. Coach Evans' Herd had little trouble in capturing its second straight South Penn Conference title, in a spectacular season of twenty-one wins and no losses.

Mike Washington, who won the South Penn scoring title with 385 points, also placed on the first string of the All-State team, with Dick Eckert receiving honorable mention.

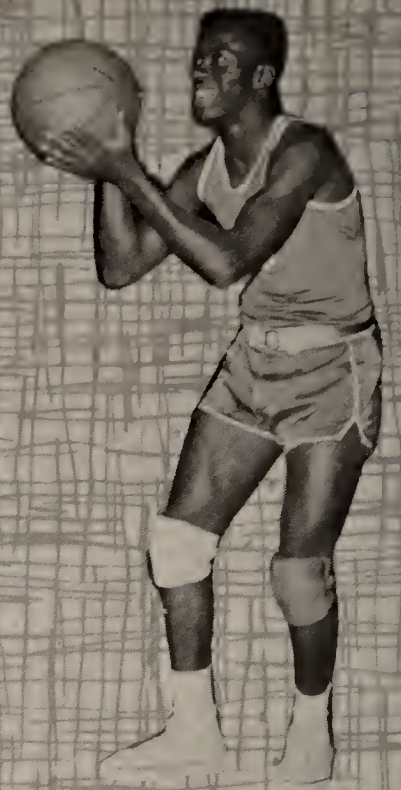

As Mike Washington easily evades a William Penn guard, Dick Eckert and Ron Cromer come up to assist in the scoring.

Carlisle High began its first year in the Lower Susquehanna Conference playing seven conference games. Scorers for Carlisle were seniors, Sue Cole and Ann Hankins. The team also participated in the Central Pennsylvania High School Field Hockey Play-day at Dillsburg on November 1, 1958.

Co-captains Barb Kidd and Carole Beltzhoover smile hopefully before a game.

Bulling for the ball are Joan Farlling and Sue Cole, as Harriet Shuman, Carole Beltzhoover, Barb Kidd, Ann Yeager, and Ann Hankins wait patiently.

Intramural Boys' Sports

Melvin Hershey shoots for a basket while Tom Thorson referees and Rod Wagaman, Jerry Morrow, Mike Clepper, and Kirby Burkholder wait for the rebound.

Bobbie Strayer and Pete Matlin get into the referee's position at the start of a wrestling match.

Hoping some luck will rub off on him, Elmer Hodge shakes hands with Paul Martin of the Harlem Magicians.

In the boys' intramural ping-pong tournament, Gary Heishman prepares to serve to Dean Rupp.

Girls' Sports

As Sue Cole and Lynne Lovsnes practice their skill on the trampoline, Carole Beltzhoover, Valerie McCall, Ann Linnell, Joan Rose, Barbara Romberger, Linda Roth, and Linda Rhone await their turns.

This year girls' sports featured a ladder tournament in table tennis and a round robin tournament in softball. Also included were tumbling and trampoline work, basketball, and tennis.

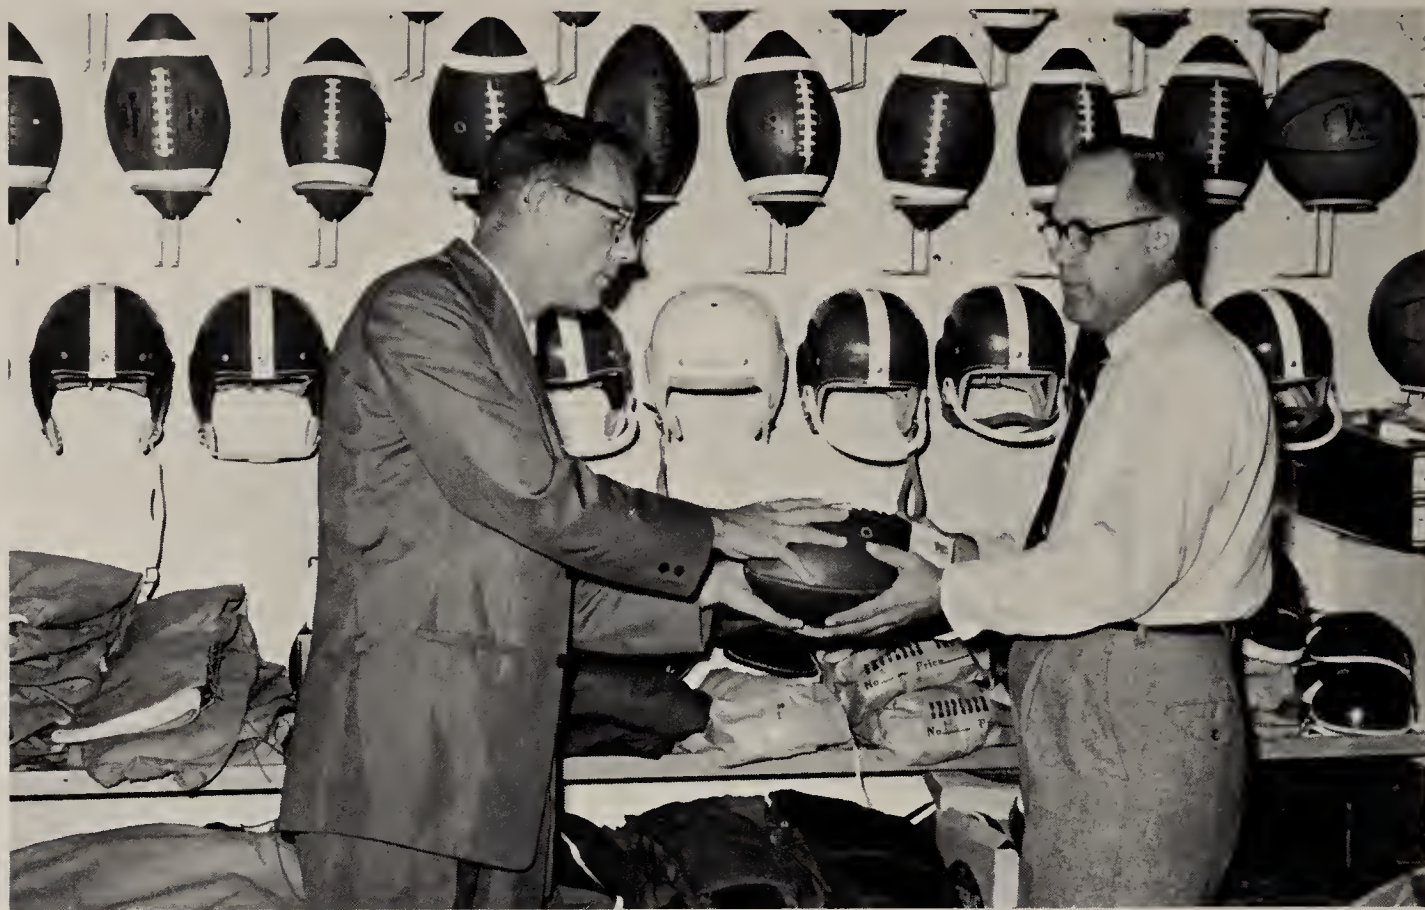

After a close tennis match, Janet Blumberg smilingly congratulates Linda Hicks.

Dorothy Washington and Ann Linnell await the toss up from Karol Loos, referee, as Carole Beltzhoover and Valerie McCall come in for the tip off.
